A Carol for Lent

1. And did God's feet in times be-fore  
2. Are these the hands that healed the sick  
3. Men pierced His side in venge-ful glee,  
4. I walk the world with zeal-ous heart,

Bruise the Ju-de-an stones?  
Touched them with cool-ing grace?  
Wa-ter and blood I see;  
Ea-ger my hands to act!

And did He walk with thirst-ing heart  
These gnar-led hands that grasped the nails  
But life in death on Cal-vary's tree  
Oy feet His feet, His heart my heart,

This de- sert of dry bones?  
 That put him in my place?  
 His Spir- it teach- es me!  
 His love my on- ly fact!

This is the cross of Christ, the Son, Who

with the Fa- ther makes us One!
