## Verification of Professional Church Work Status

Fall 2012 through Spring 2013

Concordia University Chicago is committed to the preparation of students for service to the Lutheran Church – Missouri Synod. Students who major in a church work vocation may be awarded tuition assistance with a four-year, renewable Church Professional Grant.

This annual statement must be completed by you and your pastor to receive the Church Professional Grant. The grant is available for the four years of your undergraduate program as a professional church work major. This grant has a cumulative GPA requirement that is monitored each semester for the four years of your undergraduate program. If you change your major and no longer plan to pursue a church professional field, you must contact the Office of Student Financial Planning at (708) 209-3113.
