

One of the best ways to know if a school meets your expectations for a college experience is to visit the campus. We are excited to welcome you and your family to Concordia Chicago! Throughout the day you will have the opportunity to personally meet many of our faculty, staff, and students and get a true sense of the CUC experience. Explore our campus, ask questions of the faculty, and talk to current students about why they choose CUC and how they feel about their college experience. We wish you a successful visit!
