

2022-23 Registration Information

Full Day Kindergarten School Year Program

Thank you for your interest in Concordia University Chicago's Early Childhood Education Center. As a lab school, we enjoy the support of the College of Education and have a long history of quality faith-based education for young children. Our program strives to meet the needs of our university staff, students and faculty as well as the neighboring communities. Our center is designed as a lab school serving university students for on-site experiences with young children and their teachers.

We are pleased to continue offering a Full Day Kindergarten program for the 2022-23 school year.

Program Requirements

Children need to be age 5 by September 1, 2022 to be eligible for our Full Day Kindergarten program.
