

highlighted *internship*

Name

William Wassmann

Company/Organization

TTX

How did you find the opportunity?

Networking through Concordia-Chicago internship opportunities.

Role/position:

Financial Analytics intern

Top 3 skills you've gained while working there:

Professionalism, software understanding, coding

Would you recommend to another student:

Yes

Your overall experience and how it has helped you professionally:

My internship has allowed me to understand the role a finance department plays in a multi-billion dollar company. I have gained skills with multiple software databases for future employment.
