Refrain:

Alleluia! Almighty king!

He died and suffered for us all, we can stand up straight and tall,

'Cause the battle is now won By Jesus Christ His only Son.

Went down and conquered sin For good loves us all like no one could.

We are saved from fearful sins God Almighty always wins.

Look up at the bright blue sky 'Cause Jesus Christ our Lord will rise.

Going up to heaven above Christ eternal gives us love.

Believe! For the day is past When Jesus Christ arose at last.

Now that word we happily sing Alleluia! To our King!
