COME, DEAR CHILDREN OF OUR GOD

© Text: John H. Tietjen

Come, dear children of our God, Come with joy and sing,
Christmas—Jesus was a little child in a family,
Easter—Jesus died upon a cross, Died for me and you,
Therefore, let us praise our God, Singing joyfully,

Fine

See what God has done for us; Let music ring!
Needed mother's father's care like you and me.
Jesus rose up from the grave in life made new.
Children of our God we are eternally.

See how much our God loves us; Jesus is God's Son.
Jesus has been born in us; In our hearts he lives.
Jesus gives us his new life, Lives in you and me.

Da Capo

Sent to bring God's love and life to every one.
Mother's father's loving care To us God gives.
Raises us to life from death For ever free.
