Let us sing praise to him with endless joy.

Death's fearful sting he has come to destroy,

our sins forgiving, Alleluia.

Jesus is living, Alleluia.
COME, O GOD, ABIDE AMONG US

Swahili text
tr. Howard S. Olson

Nyambo tune
Setting: Richard Hillert

1. Come, O God, abide among us day by day.

Be our guide forever, lest we stray from your way.

Praises let us render always, he is our Lord.
Glory, thanks and honor to our victor accord.
WE ARE GOD'S STEWARDS

Howard S. Olson

Settign: Richard Hillert

Kdali tune

1. We are God's stewards of all his bount-y.

Us-ing pos-sess-ions as a trust, we

just give him back what he has giv-en.
REFRAIN

Lay not up riches where moth and rust consume.

Make God your treasure, serving him be your greatest pleasure.
1. Shout to the Lord with joy, all lands. Serve him gladly. And with sweet songs upon your lips some before him. Understand that the
Lord is God. He made us all to be his own.

We are the children of him alone, sheep of his flock in his pasture.
