Student Athletes-

I am reaching out today to share important news regarding the remainder of Concordia University Chicago's spring athletics season.

This morning, the Northern Athletics Collegiate Conference announced that it had made the difficult decision to cancel all remaining athletic competition for the 2019-2020 academic year. The decision was made in light of following the NCAA cancellation of remaining winter and spring NCAA Championships and encouraging conferences and institutions to take action in the best interest of their student-athletes and communities.

At this point in time, the following applies to all spring student-athletes:

- Make arrangements to return to your home or permanent off campus residence within 48 hours, upon your return to campus.
- Athletes who are unable to return home or have extenuating circumstances are asked to complete CUC's online Extended Stay Housing Form.
- Athletes should now follow the same protocols as all other students, as outlined in President's Dawn's communication on March 13, 2020.

You can access the complete NACC message online. <https://www.naccsports.org/general/2019-20/releases/20200313io028c>.

We appreciate your continued flexibility and patience as the University's response to COVID-19 evolves. Please reach out to Pete Gnan, Director of Athletics, at Pete.Gnan@CUChicago.edu with athletics-related inquiries or the Dean of Students Office at dos@CUChicago.edu with all other questions.
